## Technical Tips: How to embed the Moving Picture Infographic on your website

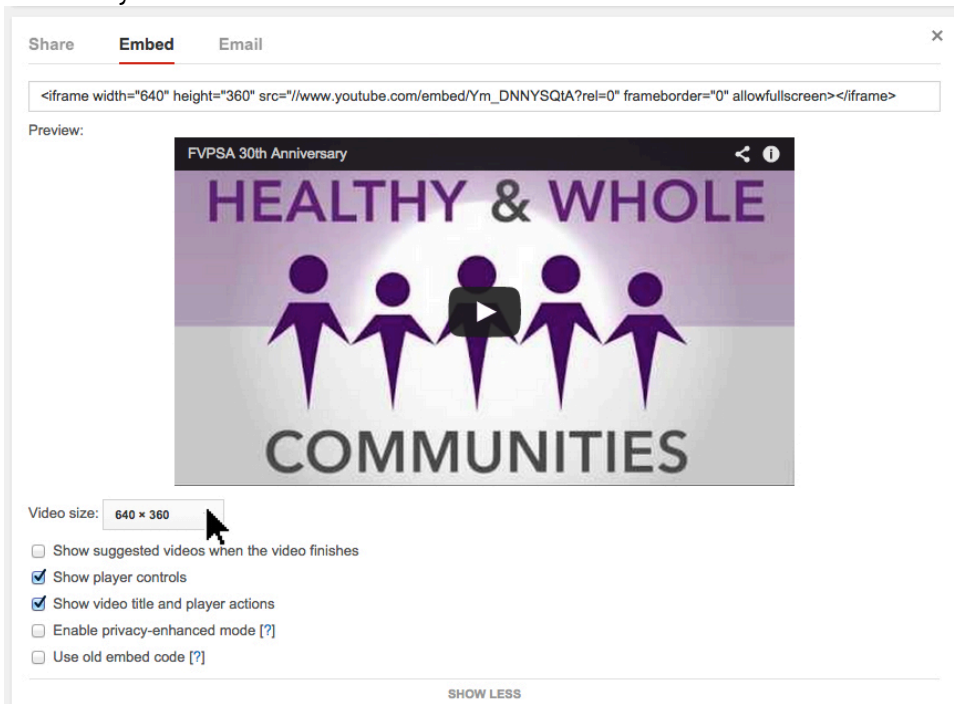

1. Access the video on YouTube at: [https://www.youtube.com/watch?v=Ym\\_DNNYSQtA](https://www.youtube.com/watch?v=Ym_DNNYSQtA)
2. Click on the "Share" option below the video title.

3. Here you can select to "Embed" the video.

4. Customize how the video will appear on your site—you can choose whatever size works best for your website.

5. Copy the highlighted code, and paste into the html of your site.
