

VAWnet

A project of the National Resource Center on Domestic Violence

An Online Library on Gender-Based Violence

Introducing NRCDF's new, personalized library experience, designed to meet you where you are.

NEW FEATURES TO MAKE YOUR LIFE EASIER

- **Create a myVAWnet account** to save, organize, & share materials that are most valuable to YOU.
- **Access resources anywhere, anytime**, with our simple, mobile-friendly interface.
- **Use the powerful search engine** to find & filter relevant results.
- **Recommend & submit resources or bookmark your favorites** to benefit our learning community.

DEPENDABLE RESOURCES YOU RELY ON

Browse 5,000+ materials including training tools, research briefs, webinar recordings, policy recommendations, practice guides, reports, & more.

Explore 40+ collections of premier resources on specific topics.

Access current & past news coverage on various issues related to gender-based violence, NRCDF newsletters, & a large collection of blog posts on emerging issues.

Search & submit events highlighting state, local, & national trainings, conferences, lectures, & webinars.

RICH CONTENT TO SUPPORT ALL ASPECTS OF YOUR WORK

Engagement & Collaboration. Tools to support community mobilization, movement building, & awareness.

Intervention & Prevention. Expand your program's capacity to best meet the needs of the community you serve.

Management & Sustainability. Resources to support fiscal & personnel management & sustainability.

Policy & Systems Advocacy. Information to support economic justice, reproductive justice, criminal justice, employment rights, immigration/resettlement, public benefits, healthcare, & much more.

Research & Statistics. Find studies, reports, & literature reviews on a variety of intersecting issues impacting a broad range of populations.
